DOCUMENTATION WAIVERS

- Full Documentation Prime loans within the standard conforming loan limits (\$417,000 for 1 unit) receiving DU Approve/Eligible or LP Accept/Eligible that include waiver of income or asset documentation, and validated/closed per the findings, are eligible as full documentation
- Full Documentation Non-Prime loans require traditional full documentation or alternative documentation (pay-stubs, bank statements) as defined by standard Fannie Mae/Freddie Mac guidelines and are not eligible for documentation waivers from DU or LP

SUBMISSION REQUIREMENTS

DOCUMENTATION

- All MI applications must be supported in lender's file with complete documentation at time of application to Radian, including:
 - 1003
 - Credit report
 - AUS Findings, if applicable
 - Income, employment, and asset documentation
 - Completed and executed agreement of sale, if a purchase
- Appraisal not required when MI is ordered, but lender must advise Radian of any change in appraised value
- MI applications must include complete legal subject property address (lot number or subdivision name acceptable when property is proposed or under construction) and appraised value

DELEGATED

- Completed Radian MI application and 1008
- Investor, program name, automated underwriting system and response (if applicable), and FICO score must be clearly noted on MI application or 1008
- Appropriate product type must be clearly noted in the Radian product section of the MI application

NON-DELEGATED

- In addition to the delegated requirements, submission must include a fully documented loan file

SUBMISSION DATES

Radian will not accept BPMI loans after the loan closing/funding date and LPMI loans after the first payment due date

DOCUMENT QUALITY

Regardless of documentation used to provide information for the loan application, the document must be legible and free of any alterations, erasures, "white outs," or similar indications that changes have been made

REPRESENTATIVE FICO SCORE

Radian will underwrite mortgage insurance based on the lowest representative FICO score of all borrowers; at least two national repositories must be checked for each borrower

The representative FICO score for each borrower will be determined as follows:

- If two scores are provided, the lower score will be used
- If three scores are provided and two are equivalent, the lower score will be used
- If three scores are provided, the middle score will be used

Borrowers with non-traditional credit are ineligible for Radian mortgage insurance.

QUALIFYING RATIOS

DEBT-TO-INCOME RATIO (DTI)

- Borrower DTI includes all monthly debts as defined in Fannie Mae/Freddie Mac guides, divided by monthly qualifying income

ADJUSTABLE RATE MORTGAGE (ARM)

- All ARMs with initial rate adjustment periods less than 60 months must be qualified using the higher of the Note Rate or the fully indexed accrual rate (margin plus index value), also referred to as FIAR; all other ARMs may qualify at the start rate
- Radian requires that all ARMs include an interest rate cap; see ARM Interest Rate Caps table at right.

TEMPORARY BUYDOWNS

- Fixed rate loans and ARMs with initial adjustment period less than 60 months must qualify using higher of Note Rate or fully indexed accrual rate (margin plus index value), also referred to as FIAR
- ARMs with initial interest rate adjustment period of 60 months or more may qualify using start rate

PROPERTY QUALIFICATIONS/RESTRICTIONS

APPRAISAL REQUIREMENTS

- Full USPAP-compliant appraisal documentation is required, regardless of AUS response
- Radian does not accept AVMs, PVVMs, Property Inspection Waiver (PIW), or Property Inspection Alternative (PIA) in lieu of appraisal
- All loans require a full appraisal (URAR, or property type-specific equivalent, with a minimum interior and exterior inspection)

MAXIMUM LOANS TO ONE BORROWER POLICY

MAXIMUM MORTGAGE INSURANCE RISK EXPOSURE

Mortgage insurance insured risk exposure is calculated using original loan amount times percentage of MI coverage

Example A \$100,000 mortgage with 25% coverage equals \$25,000 mortgage insurance risk exposure

Radian's maximum risk exposure to one borrower is the lesser of

- \$300,000 aggregate insured risk exposure **OR**
- Two (2) insured properties, only one of which may be a primary residence

DOCUMENTATION TYPES

- For a comprehensive description of the documentation types Radian will accept, please see the Radian Documentation Types located at <http://www.radian.biz/mortgage/rates.aspx>
